Review of academic and professional progress since previous meeting

My last PDP was Sem 1 2015, not having a sem2 PDP because I felt unlikely to continue BCMP. Regardless I am quite happy with how my first year went from a personal stand point.

I'm happy with the mostly B's I got in 2015 but feel that during the last couple months my efforts waned a bit.

ALMOST DIDN'T COME BACK.

NOT PLANNED, ORGANIZED GAME WEAR

NOT USEFUL TEACHING. SOME CLASSES YOU COULDN'T FAIL.

Academic and professional objectives for the next period of study

This year I want to focus on the subjects and disciplines / skillsets that interest me most to begin building my portfolio.
